

Sink into Quality Life
Style • Certified • Value

Gemini Sink Canada Inc. was incorporated under Ontario provincial in 2001 and is based in the Greater Toronto Area of Ontario, Canada.

Over the years, we have expanded rapidly in North America with a reputation for “The quality you trust” and “The Fairness you deserve”. Under our own trademark GEMINI and Cosmo, we are one of the leading specialist kitchen sinks manufacturers and wholesalers.

We have over 16 years of research, design and developmental experience which gives us the ability to release new and customized models in a short period of time. All sinks are designed in Canada and made with top quality 18 gauge (18% chrome/10% nickel content) type 304 stainless steel and certified with C/US approval. GEMINI sinks are made with a lifetime limited buyer warranty.

Our mission is to offer our premium quality products to everyday household around the world. With our carefully planned marketing strategies and pricing structure, we plan to have a distribution network covering the globe so that our products will be found in every boutique and home improvement center. By offering the finest materials and craftsmanship of our modern designed products, we will also be able to satisfy the market with a wide range of preferences.

MORE ABOUT OUR SINKS

OUR SERVICE

■ CAD files: Gemini includes a physical template in every individually packaged sink. CAD files are available for off the website for precise, accurate cuts each and every time. CAD files also feature offset values for different styles of cuts. To partially reveal the sink rim, use the outside offset parameters. To cut the opening flush with sink bowl(s) use the center line. To leave a slight overhang into the sink bowl(s) , use the inside set of parameters. Cut-out drawings can be ordered. Please direct your enquiry to our customer service or download from our to our website www.geminisink.com. Please note that only a professional sink installer/fabricator process these DXF files for sink cutouts.

■ We can custom-made sinks you need. We have over 10 years of research, design and development experience which gives us the ability to release new and customized models in a short period of time.

WARRANTY

■ Lifetime Limited Buyer Warranty.

COMPETITIVE ADVANTAGES

■ Gemini® sinks are always in tune with market demands by supplying marble shop and plumbing boutiques with quality products and modern designs of what people are looking for. Stainless steel seems to be in trend now. Whether it is appliances to backsplashes to sinks, stainless steel seems to bring a touch of class and design to the kitchen.

■ Most of our sink are oversized that provide the most usable space to easily handle large pot and pans.

■ Our signature satin finish is our mark of excellence in the industry that separates our products from the rest. ALL Gemini stainless steel sinks have an astonishing brushed satin finish that leaves the sink breath taking for years to come.

■ All dimensions on the catalogue are nominal. Please make the object as the standard. Always keep updated with our newly launched website: www.geminisink.com. Visit us regularly and you will be able to follow the to market trends and new products ready for launch.
